

GLENN EAGLESTON

Aviator (1921 - 1991)

Eagleston was born in Utah. During WWII, he became the leading ace of Ninth Air Force in Europe. He is credited with 18 1/2 victories, and damaged 7 German aircraft. Eagleston was known as a 'fighter pilot's fighter pilot' - he flew almost 100 combat missions in Europe and later became a Squadron and Group Commander flying in the Korean War.
